ABOUT TINA'S WISH

Tina's Wish®
For the Early Detection of Ovarian Cancer
Know Early. Know Hope.®

*The Honorable Tina Brozman
1952-2007*

Tina's Wish was founded in memory of Tina Brozman, who died of ovarian cancer after a two-year battle with the disease. Tina was an innovative jurist, a superb lawyer and a loving mother, wife, daughter, and friend.

Since 2008, Tina's Wish has raised over \$9 million. Annually, the foundation now funds \$1.2 million of ovarian cancer research.

Tina's Wish is honored to support researchers at Brigham and Women's Hospital, Dana-Farber Cancer Institute, Johns Hopkins Medicine, Memorial Sloan Kettering Cancer Center, NYU Langone Medical Center, Penn Medicine, University of Michigan Cancer Center, University of Pittsburgh Cancer Institute, University of Virginia Cancer Center, The Wistar Institute and Yale Cancer Center.
