# EmpowHER Series

Join us in empowering and educating women  
about their gynecologic health!

Tina's Wish funds groundbreaking research for the early detection and prevention of ovarian cancer, and empowers women about their gynecologic health through educational initiatives. *Know Early. Know Hope®*. This is our mission. Women and their families deserve to know earlier and have a fighting chance against ovarian cancer. Together we can make Tina Brozman's wish for early detection a reality.

## IMPACT SINCE 2008

- ***\$17 million** raised for **43** scientific research projects focused on early detection and prevention of ovarian cancer.*
- *Hosted more than **50** awareness-building and educational events, reaching over **25,000** individuals.*

**“I am not angry about having ovarian cancer. I am angry that I did not know sooner so I could have a fighting chance.”**

**- TINA BROZMAN, 1952-2007**
