LEADERSHIP COUNCIL
presents

RUNWAY
for
RESEARCH

Tuesday, June 10, 2025 at 6 PM • Chelsea Industrial (282 11th Ave, NYC)

Tina's Wish funds **innovative scientific research** for the **early detection and prevention of ovarian cancer**, and provides critical **gynecologic health education**. *Know Early. Know Hope®*. This is our mission. Women deserve to know earlier and have a fighting chance against ovarian cancer. Together we can make Tina Brozman's wish for early detection a reality.

IMPACT SINCE 2008

- *\$27 million raised for 49 scientific research projects focused on early detection and prevention of ovarian cancer.*
- *Hosted more than 70 awareness-building and educational events, reaching over 70,000 individuals.*

“I am not angry about having ovarian cancer. I am angry that I did not know sooner so I could have a fighting chance.”

- TINA BROZMAN, 1952-2007

THE IMPACT OF YOUR SUPPORT

THE NEED

OVARIAN CANCER is the **#1** deadliest gynecologic cancer, largely because there is **NO** effective early detection test

80% of women are diagnosed with **OVARIAN CANCER** at advanced stages

The **5-YEAR** survival rate at an advanced stage is only **27%** compared to a **93%** **5-YEAR** survival rate when diagnosed in **STAGE 1**

YOUR SUPPORT

Makes **13 CUTTING-EDGE** research projects focused on **OVARIAN CANCER** early detection possible in 2024 & 2025

Enables us to empower and educate **100K+** people about their gynecologic health

Enables **600+** women to participate in our funded researchers' clinical trials annually

Will save **200,000** women's lives globally per year upon completion of identifying or creating an early detection screen.

2024-25 GRANTS

RUNWAY FOR RESEARCH

Runway for Research is more than just a fashion show. It is a night of storytelling, fashion and fun where guests learn more about the WHY behind our mission. Ovarian cancer patients, survivors, family members, researchers and doctors will all walk the runway sharing their stories of survival, pain and life's purpose with our community.

The goal of *Runway for Research* is to fully fund two Rising Star Grants. To do this, we need to raise **\$450,000**. Our Rising Star Grants are awarded to young talented researchers with innovative ideas and new approaches to developing ovarian cancer early detection. Our seed funding can have a huge impact on their ability to show demonstrative results and ultimately receive large federal grants to get them to the next level.
