OUR STORY

Tina's Wish was founded in 2008 in memory of the Honorable Tina Brozman, former chief judge of the SDNY Bankruptcy Court. The organization funds innovative scientific research for the early detection and prevention of ovarian cancer, and provides critical gynecologic health education.

Know Early. Know Hope®.
This is our mission.

"I am not angry about having ovarian cancer. I am angry that I did not know sooner so I could have a fighting chance."

- TINA BROZMAN, 1952-2007

Women deserve to know earlier and have a fighting chance against ovarian cancer. Together we can make Tina Brozman's wish for early detection a reality.

“

It's a chance to feel beautiful, a chance to have your makeup done, to wear these beautiful clothes. There's all kinds of body types. And then being able to be surrounded by survivors, who have been through hell and back, and you get to share this moment together where you just get to feel fierce and support each other and cheer and celebrate – it's awesome.
